SITE DESCRIPTION:

Dimensions: 367 feet by 206 feet (112 metres by 63 metres).

Site Area: 75,586 square feet (7022.194 square metres).

Existing Land Use and Zoning: Multiple Family Dwellings zoned “RM-7” Residential District.

DEVELOPMENT DESCRIPTION:

The applicant intends to construct four (4) additional units on the 13th floor of the existing multiple family dwelling at 220 Oakland. The applicant is also converting the former restaurant and patio space on the 13th floor at 210 Oakland into a recreational space for the residents of the building.

The building that is parallel to Brazier Street is 220 Oakland Avenue. The multiple family dwelling parallel to Oakland Avenue is 210 Oakland.

ADMINISTRATIVE COMMENTS:

By-law No. 1325/76 limits the senior’s residential buildings to twelve (12) stories but allows a thirteenth (13th) story to be used only for a recreational room at 220 Oakland and a restaurant at 210 Oakland. In subsequent years, applications have been made to amend the agreement to allow an outdoor patio restaurant space on the 13th floor of 210 Oakland.

The applicant would like to add four (4) additional dwelling units on the thirteenth floor of 220 Oakland. These units will be constructed on the south side of the building whereas the north side will retain a pool room, recreational room, roof garden, and sun room.

The applicant states that the restaurant (Merteen’s) at 210 Oakland has ceased operation and is now closed. The associated patio has also closed. The applicant would like to convert the restaurant space to a club/recreation room to service both 210 and 220 Oakland.

The Division supports the new dwelling units on the 13th floor of 220 Oakland. The agreement currently allows restaurants and recreational rooms on the 13th floors, which may have a greater impact than residential units on the surrounding neighbourhood. The Division also supports converting the restaurant to a recreational facility since the new use is an amenity that will serve the local buildings’ residence. The applicant has a related variance for yards, density and height.

New Dwelling units 220 Oakland

For the addition of the dwelling units on the thirteenth floor, the applicant requires the following clauses, which restrict the 13th floors to recreational/restaurant uses and limits residential uses to twelve (12) stories, be *deleted* from the Zoning Agreement:

- 2) “The land and any building or structure thereon shall not be used for and no building or structure shall be erected, altered or enlarged on the land for any use except:
 - a) *a seniors’ residence not exceeding twelve (12) stories in height, plus:*
 - b) *an additional thirteenth (13) storey which shall be used only as*
 - i. *recreation room space for residents of the building, or*
 - ii. *as an alternative use within the thirteenth (13th) storey of the building commonly known as 210 Oakland Avenue, a restaurant or dining room not exceeding a gross floor area as 210 Oakland Avenue, a restaurant or dining room not exceeding a gross floor area of 292 square metres (3,150 square feet) and provided there is no exterior signage erected or maintained on the senior citizens residence building related to the restaurant or dining room other than one (1) facia sign not exceeding .74 metres (8 square feet) in area.”*

The Division is recommending that clause 2) a) be replaced with the following to restrict the multiple family dwellings to thirteen (13) stories instead of twelve (12):

- a) a senior citizen’s residence not exceeding thirteen (13) stories in height.

Conversion of Restaurant to Recreational Uses at 210 Oakland

In regards to the conversion of the restaurant:

A gym, swimming pool or lounge area within a multiple family dwelling for only the use of tenants within the building can be considered as ‘accessory’ to the multiple family dwelling. These uses are currently permitted under Zoning By-law 6400/94.

The recreational room can be constructed at 210 Oakland under the current agreement since it allows recreational uses on the 13th floor. The Division, however, is recommending that all clauses relating to the restaurant at 210 Oakland be deleted including reference to the outdoor patio.

- 2) The land and any building or structure thereon shall not be used for and no building or structure shall be erected, altered or enlarged on the land for any use except:
 - b) *an additional thirteenth (13) storey which shall be used only as:*

- i. recreation room space for residents of the building, or*
- ii. as an alternative use within the thirteenth (13th) storey of the building commonly known as 210 Oakland Avenue, a restaurant or dining room not exceeding a gross floor area as 210 Oakland Avenue, a restaurant or dining room not exceeding a gross floor area of 292 square metres (3,150 square feet) and provided there is no exterior signage erected or maintained on the senior citizens residence building related to the restaurant or dining room other than one (1) fascia sign not exceeding .74 metres (8 square feet) in area.”*
- iii. as part of the alternative use described in clause (b) outdoor patio restaurant space not exceeding 111.48 square metres/1200 square feet of gross floor area (total permitted gross floor area of restaurant/dining room space on the 13th floor 404.115 square metres/4350 square feet) BUT that outdoor patio may be operated only up to September 30, 1995 on which date the maximum gross floor area of the 13th floor restaurant/dining space shall revert to 292 square metres/3150 square feet.”*

RECOMMENDATION:

- A. That the Zoning Agreement Caveat No. 245878 under file no. DAZ 313/75, dated April 6, 1977 (By-Law # 1325/76) be amended as follows:
 - 1) That paragraph 2 be deleted and substituted with the following:

“The land and any building or structure thereon shall not be used for and no building or structure shall be erected, altered or enlarged on the land for any use except a senior citizens residence not exceeding thirteen (13) stories in height.”
- B. That the Zoning Agreement Caveat No. 1638619 under file no. DAZ 313/75, dated September, 1992 be deleted.
- C. That the City Solicitor be requested to prepare the necessary Amending Agreement to Zoning Agreement DAZ 313/75 (By-Law # 1325/76), dated April 6, 1977 as approved in aforesaid Clause I.
- D. That the Proper Officers of the City are hereby authorized to execute said Amending Agreement.
- E. That the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

- F. That, in the event this application is not proceeded with expeditiously and the agreement is not signed within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of this time is applied for prior to the expiry of this twenty four (24) month period **and the extension is subsequently approved by Council.**
