EXECUTIVE SUMMARY

The Winnipeg Association of Public Service Officers collective agreement expired on December 31, 2019 whereby the parties exchanged proposals and began bargaining on January 10, 2020. A tentative memorandum of agreement was reached, dated August 5, 2020.

Over the last 25 years, the City's Labour Relations Strategy (although not enunciated in any document) has been to:

- a) Minimize the increases in salary and benefits;
- b) Maintain as many management rights as possible;
- c) Make changes to Collective Agreement language to address current issues or issues that have arisen since the last round of negotiations;
- d) Attempt to make changes to increase operational efficiency.

The Public Service believes that we have accomplished the above four goals within this round of collective bargaining.

RECOMMENDATIONS

1. That City Council enter into, execute and deliver the Memorandum of Agreement agreed to by the negotiating committees of the City and the Winnipeg Association of Public Service Officers ("WAPSO") and a subsequent collective agreement with WAPSO.
2. That the Chief Administrative Officer be authorized to administer and implement the collective agreement in accordance with the Memorandum of Agreement and this report, and such terms and conditions deemed necessary by the City Solicitor / Director of Legal Services to protect the interests of the City in administering and implementing the collective agreement.

3. That City Council authorize the Chief Administrative Officer to extend the general wage and benefit adjustments provided for in the ratified collective agreement to exempt employees who are considered WAPSO Exempt.
4. That the proper officers of the City do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

The City of Winnipeg Charter requires that City Council ratify all Collective Agreements entered into by the City of Winnipeg and Civic Unions/Associations.

IMPLICATIONS OF THE RECOMMENDATIONS
--

The Memorandum of Agreement (“MOA”) between the City and the Winnipeg Association of Public Service Officers includes changes involving significant terms, material and other costs as follows:

1. Term of Agreement – January 1, 2020 – December 31, 2023 (48 Months) (MOA Clause 2 / MOA Appendix 1 Article 18)
2. General Wage Adjustment (MOA Clause 3 / MOA Appendix 1 Article 4)

General Wage Adjustment	Date of Increase	Amount
1	Pay period 14, 2021	0.50%
2	Pay period 2, 2022	0.50%
3	Pay period 18, 2022	1.00%
4	Pay period 2, 2023	0.75%
5	Pay period 18, 2023	1.25%

3. Signing Bonus (MOA Clause 4)

On Pay period 2, 2021, every employee who was a member of the bargaining unit on the date that the tentative agreement was ratified shall receive a single payment in the amount of \$500 less normal deductions. WAPSO Exempt is excluded from this clause.

4. Market Adjustment (MOA Clause 5 / MOA Appendix 1 Article 4)

The Professional Engineer Market Adjustment payable as per Article 4 shall be renewed until December 31, 2023.

5. Safety Footwear (MOA Clause 6 / MOA Appendix 1 Article 26)

The current payment of \$110 shall increase by \$30 annually effective January 1, 2022.

6. A1/A2 Salary Schedule (MOA Clause 7 / MOA Appendix 1 Article 4)

Amend language in Article 4 to reflect that an employee who enters the bargaining unit on or after the date of ratification shall be placed on Schedule A2. Employees in the bargaining unit who are on Schedule A1 shall remain on Schedule A1 unless they move to Schedule A2 in accordance with Article 4.

7. Professional Development Fund / Scholarship

Renewal of the Professional Development Fund, increasing fund by \$7,200 (including WAPSO Exempt) over the term of the collective agreement. (MOA Appendix 1 Schedule I)

Commencing January 1, 2021, the City will redirect \$500 from the Professional Development Fund each year as a contribution to the Association's William S. Comstock Scholarship. (MOA Clause 9)

8. Benefits (MOA Clause 10 / MOA Appendix 2 Letter of Understanding Re: Flex Benefits)

The parties will discuss flexible benefit options during the life of the collective agreement. Any flexible benefit options, including but not limited to a Health Care Spending Account, may be implemented during the life of the collective agreement.

The Chief Administrative Officer has the authority to make changes to the medical / health benefits provided in Article 21, Article 22 & Article 23 of the collective agreement and implement flexible benefits, on the basis that the overall cost of amended benefits is cost-neutral or lesser than cost of benefits provided under the collective agreement. The Chief Administrative Officer has the authority to extend such amendments to employees who are considered WAPSO Exempt. Any changes to benefits that would generate an increase in costs to the City would require City Council approval. Any changes made under this section shall be reported back to Council for information.

9. Interest Arbitration (MOA Clause 11 / MOA Appendix 1 Article 18)

Article 18 will reintroduce provisions for voluntary interest arbitration in the event that the parties reach an impasse during the next round of collective bargaining.

10. Overtime (MOA Clause 12 / MOA Appendix 1 Article 13 / MOA Appendix 1 Schedule J)

The parties have negotiated language to resolve the outstanding remedy from the 2019 overtime arbitration decision so to comply with the Employment Standards Code.

11. Gender-Neutral Language (MOA Clause 13)

The parties will amend the agreement to incorporate gender-neutral language throughout the collective agreement.

12. Workplace Values

- a. Respectful Workplace – collective agreement language amended to support employer's respectful workplace administrative standard and its procedures. (MOA Appendix 1 Article 30)
- b. New Letters of Understanding:
 - i. Workplace Violence/ Harassment/ Disrespectful Workplace – City/WAPSO committee will meet to review incidents of workplace violence, harassment, and disrespectful behavior that involve employees in the association to ensure employees are supported effectively through the respectful workplace administrative standard and workplace violence protocols. WAPSO will also be consulted on risk assessments or safety audits involving employees of the bargaining unit. (MOA Appendix 2 Letter of Understanding Re: Workplace Violence/ Harassment/ Disrespectful Behavior)
 - ii. Equity, Diversity & Inclusion – the City and WAPSO commit to a workforce that is representative of the community it serves, and to building education and awareness to create a culture of inclusion and valuing diversity. The City will consult with WAPSO as it undertakes to develop an Equity, Diversity and Inclusion Program. (MOA Appendix 2 Letter of Understanding Re: Equity, Diversity, & Inclusion)
 - iii. Transit Critical Incident Stress Management (CISM) – Transit Department's CISM Peer Support Program, program for members with Transit, will be incorporated into the collective agreement for the life of the agreement. The City and WAPSO will jointly select employees to respond to CISM peer support requirements and will regularly meet to review and audit the program. The City will consult with WAPSO on the content of training for new members of the program. (MOA Appendix 2 Letter of Understanding Re: Critical Incident Stress Management)
 - iv. Transit Assault Review Committee – Establishes process within Transit Department to review incidents involving Transit supervisory and training staff where an assault/threat occurred in the course of duty. The parties may engage an external contractor to make determination if the assault/threat was avoidable or unavoidable. (MOA Appendix 2 Letter of Understanding Re: Transit Assault Review Committee)

Many of the language changes may result in operational efficiencies but any fiscal savings would be difficult to cost given they would be based on assumptions which may not be realized in ongoing operations. The MOA includes a number of other changes to collective agreement

articles and letters of understanding. These items and those identified above, except for Items 2, 3, 4, 5, 7 and 12 b. iv., have been assumed:

- to have no or no immediate financial impact; or
- that costs could not be reasonably estimated at this time; or
- that costs are deemed to be immaterial; or
- that changes are a reflection of the City of Winnipeg's existing operations; or
- that costs relate to statutory/legislative obligations [includes changes to overtime provisions to meet compliance with requirements of *The Employment Standards Code* (Manitoba)].

Unless otherwise stated, the changes in this collective agreement are effective on the date of ratification. The date of ratification of the agreement shall be the first date on which both parties have ratified the Memorandum of Agreement.
