RECOMMENDATIONS

That this report be received as information.

REASON FOR THE REPORT

On December 9, 2015 Council adopted the report of Executive Policy Committee dated December 2, 2015, dealing with the Office of Integrity (Ethics) Commissioner. Recommendation 1 of that report called for the Winnipeg Public Service to report back on a proposed process for engagement of the Integrity Commissioner.

On January 6, 2015, Executive Policy Committee provided a 30 day extension of time to respond to this request.

EXECUTIVE SUMMARY

The cross-jurisdictional review found that many municipalities who have implemented an Integrity Commissioner have done so in a similar manner; as an outside, independent contractor, appointed as the Integrity Commissioner and reporting to Council, with payment as a combination of a stipend and a fee-for-service basis.

This report identifies a process for recruiting and engaging an Integrity Commissioner, with final appointment done by Council and with the process being in accordance with all applicable City policies, including the City's Materials Management Policy. This process would be followed by the Winnipeg Public Service after the budget for such an office was approved.

IMPLICATIONS OF THE RECOMMENDATIONS

By implementing an Integrity Commissioner, the City is providing a transparent, accessible and open process for Members of Council, members of Administration and members of the public, to report or receive information on a perceived conflict by a Member of Council and be ensured that an independent officer will have powers to investigate issues and report their findings to Council. This report identifies a process for engaging a person for this position.

HISTORY/DISCUSSION

On December 9, 2015 Council adopted the report of Executive Policy Committee dated December 2, 2015, dealing with the Office of Integrity (Ethics) Commissioner. Recommendation 1 of that report called for the Winnipeg Public Service to report back on a proposed process for engagement of the Integrity Commissioner as follows:

1. That the Office of Integrity Commissioner be created, and the Winnipeg Public Service be directed to report back at the January, 2016 Council meeting with a proposed process for the engagement of an Integrity Commissioner, on a two-year renewable term, in accordance with all applicable City policies including, without limitation, the City's Materials Management policy.

On January 6, 2015, Executive Policy Committee provided a 30 day extension of time to respond to this request.

The cross-jurisdictional review done in regards to Integrity Commissioners found that many municipalities who have implemented an Integrity Commissioner have done so in a similar manner; as an outside, independent contractor, appointed as the Integrity Commissioner and reporting to Council, with payment as a combination of a stipend and a fee-for-service basis. As shown in Appendix A, individuals were appointed and provide service to several Ontario municipalities on an as-needed / fee-for-service basis.

The proposed process for engaging an Integrity Commissioner would be to advertise the position being available online and in local and perhaps national newspapers, once the position is confirmed in the 2016 budget. The Winnipeg Public Service will convene a panel to review the applicants, with the panel suggested to include representatives from City Council. The panel will short list and forward to Council a proposed selection. As adopted by Council, the Integrity Commissioner will be appointed on a two year term, with the contract created by Legal Services. Legal Services, Materials Management and Corporate Support Services (in terms of human resource issues) will all be consulted on the process. The process will be in accordance with all applicable City policies including, the City's Materials Management Policy.
