RECOMMENDATIONS

1. That Council enact the Winnipeg Police Board By-law attached as Appendix A hereto.
2. That the Public Service approach the Province of Manitoba to recover all costs associated with operating the police board.
3. That the funding requirements for Police Board operations be referred to the 2013 operating budget process.
4. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

The Police Services Act (S.M. 2009, c.32) requires The City of Winnipeg to implement a municipal Police Board by December 1, 2012. (Appendix B)

IMPLICATIONS OF THE RECOMMENDATIONS

In order to meet the legal requirements under Manitoba's Police Service Act, the City of Winnipeg needs to pass the Police Board implementation by-law on or before December 1st.

The purpose of the Police Board is to act as a liaison between the community and the Winnipeg Police Service (WPS). The board will provide civilian governance respecting law enforcement, and the administrative direction and organization required to support an effective police service.

The duties of the Police Board include hiring a police chief; establishing priorities and objectives in consultation with the police chief; establishing policies for effective management; directing the police chief and monitoring his or her performance; ensuring that community needs and values are reflected in policing priorities, objectives, programs and strategies.

The Police Board does not give orders or directions to any individual police officer, on specific operational decisions, individual investigations or the day-to-day operation of the police service. The Board has no role in collective bargaining process between Police and City.

The Winnipeg Police Service will now have a direct reporting relationship to the Board.

In order to ensure alignment between board policies and Council priorities, Council and its committees will have the ability to make policy recommendations to the Board for its consideration.

Regarding budgeting, the Police Board will provide Council with an estimate of the costs required to operate the police service in the next fiscal year. Council retains final authority for providing the global funds in the budget to the police service and the Police Board is responsible for allocating the funds provided to the police service.

Once the by-law is passed a call for applications to the Police Board from the public will be made (managed by the Clerk's office per the City's Board appointment process) with the intention of finalizing all appointments at the January 30th council meeting.

Council will be provided with regular updates throughout the transition.

The Winnipeg Police Board By-Law stipulates:

- Maximum number of board members is 7 – this includes 2 appointments made by the Province.

- Council is responsible for the appointments of the Chair and Vice-Chair of the Police Board . Council shall appoint 5 members in total including the Mayor or his or her nominee and one other member of Council.
- Councillors will be appointed for a 1 year term and citizen members of the Board shall be appointed for a term not to exceed three (3) years for up to eight (8) consecutive years of service. A Councillor may be a Board member only so long as they remain a Councillor.
- Remuneration of board members will be consistent with the Manitoba Police Commission rates: \$190 -\$109 per half day/ \$336-\$192 per full day.
- Formal reporting process between the Board and Council will be tied to the City's Budget process and by representation of Council members on the Police Board .
- The City will need to determine a global budget for board operations, which should be a line item in the overall operating budget itself as opposed to a line item within the WPS budget.
- The board shall hold a minimum of (9) nine monthly meetings per year.
- The board will be required to hold 2 or more public consultations each year.
- As the Board is an arm's length entity, it will be responsible for hiring its own staff (Executive Director, administrative staff) and securing its own office space

FINANCIAL IMPLICATIONS

On annual basis, the Board will prepare operating and capital estimates for purposes of delivering police services to The City of Winnipeg. The amount to be provided to the Board for this purpose will be subject to Council's approval.

The Board in carrying out its mandate will require an operating budget. As the Board is a new entity cost certainty is to be determined. The amount noted in the Financial Impact Statement for 2013 are Public Service estimates only and being the start-up year, are prorated for what a full year requirement would be.

The largest part of this budget is to provide the personnel required for the day to day operation and support of the Board

As specified in the by-law, meeting honoraria will be paid to at least five of the seven Board members (the Chair and Vice-Chair, if members of Council, will not be entitled to an honorarium under the by-law).

Finally, the Board will require budget for public consultations, conferences and training, office space, audit, furniture and equipment and other costs.

Pursuant to Recommendation #2, the Public Service will approach the Province of Manitoba to recover all costs associated with operating the Police Board.

HISTORY

An inquiry into the conduct of police surrounding the motor vehicle accident and death of Crystal Taman on February 25, 2005 was called by the Minister of Justice in 2007. In response to the Taman Inquiry Recommendations (2008) the Province of Manitoba amended the Police Service Act in 2009 requiring all Provincial municipalities with police services to establish police boards.

In 2011, the Province created the Manitoba Police Commission (MPC) to support municipal police boards and ‘modernize’ process. The commission is a permanent body that provides training for all municipal police boards, the policy and procedure manual for use by all police boards in Manitoba and is also consulting on a code of ethical conduct for police board members.

In Spring 2012, the City of Winnipeg was notified that the Winnipeg Police Board must be established by December 1, 2012.

A working group led by the CAO office with representation from Materials Management, Corporate Finance, Corporate Communications, Human Resources, Legal Services, Winnipeg Police Services and Community Services was struck in Fall 2012 to make recommendations regarding the by-law.

A “best practices” survey was prepared to gather logistical information from existing police boards across Canada through the Canadian Association of Police Boards and to evaluate criteria and practices that may be applicable.

The estimate for 2013 is a Public Service estimate and may vary once the Board has been implemented. There is no provision for the actual costs associated with Police service delivery nor any services delivered to the Board by City departments. It is presumed that these services will be delivered on a cost recovery basis. The responsibility for the Board's budget request is the Board's and, as such, no estimates have been included here beyond that needed for the start-up year. The incremental revenue assumes Provincial funding of the Board, pursuant to Recommendation #2.
