**Minute No. 465 Rezoning - 444 St. Anne's Road
File DAZ 253/2004**

STANDING COMMITTEE RECOMMENDATION:

The Standing Policy Committee on Property and Development concurred in the recommendation of the Riel Community Committee, as amended, and recommends to Council:

1. That The Winnipeg Zoning By-law No. 6400/94 be amended by rezoning the subject land as shown on Schedule "A" for File DAZ 253/2004 dated October 11, 2004, to a "C2" Commercial District, subject to the following:
 - A. That the applicant enter into a zoning agreement with the City of Winnipeg pursuant to Subsection 240(1) of The City of Winnipeg Charter to provide for the following:
 - i. The rezoning shall include all uses within the "C1" Commercial District, as listed under The Winnipeg Zoning By-law No. 6400/94, and shall include only the following use within the "C2" Commercial District as listed under The Winnipeg Zoning By-law No. 6400/94:
 - a. Drive through
 - ii. That the development be constructed and located in accordance with the plans identified as Sheet Nos. 1,2,3 and 4, dated October 18, 2004, and maintained thereafter to the satisfaction of the Director of Planning, Property and Development.
2. That a ten percent (10%) dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.
3. That in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

Minutes - Standing Policy Committee on Property and Development - November 2, 2004

4. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.
5. That the rezoning by-law shall come into effect when the Zoning Agreement has been registered by caveat against the subject land at the Winnipeg Land Titles Office, provided that the said effective date occurs within twenty-four (24) months from the date that the said rezoning by-law is adopted by Council.
6. That the Proper Officers of the City are hereby authorized to execute said Zoning Agreement.
7. That the City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

Dear Mr. Pettit:

REZONING
444 St. Anne's Road
Riel Community
File No. DAZ 253/2004

An application has been received from David Kressock of LM Architects, to amend By-Law No. 6400/94 by rezoning the land shown below from a/an “C1” Commercial District to a “C2” Commercial District to allow for a drive through facility.

RELATED FILES:

SITE DESCRIPTION:Site Area, Existing Land Use, and Zoning:

The subject property is zoned “C1” Commercial. It is adjacent to “C1” Commercial on the north, south, and east and single-family residential, zoned “R1-5” to the west. The site was occupied by a vacant single-family residence, which was recently torn down to make way for this development. The overall area is 8,275 square feet (.19 acres).

DEVELOPMENT DESCRIPTION:

The petitioner is proposing to construct a 2100 square foot commercial building on a \pm 8,300 square foot lot at the intersection of St. Anne’s Road and Sadler Avenue. The parcel is zoned C-1 Local Commercial. A single-family residence on the lot, which was vacant and in disrepair, was recently demolished and the lot cleared in anticipation of this development.

The new building will consist of two 1050 square foot units – the north unit will house the World of Water and the south unit will be reserved for a future tenant, which is unidentified at this time. Plans call for parking to be located in both the front and the back of the building, with a drive – through to be located on the north side of the building, along Sadler.

Drive-throughs are only permitted as a conditional use in the “C2” Commercial District – as well, as in higher intensity districts. Therefore, in order to permit the proposed drive-through, the property must be rezoned to “C2” Commercial

PLAN WINNIPEG:

The subject land lies within the Neighbourhood Policy Area which allows for all types of commercial zoning.

ADMINISTRATIVE COMMENTS:

The Planning and Land Use Division feels that the proposed rezoning should be recommended for several reasons. First, the parcel in question had, until very recently, a vacant, dilapidated single-family residence with a weedy, garbage-strewn lot. The proposed development will provide a new development which is in character with the surrounding area and will mitigate a past visual eyesore along a highly visible commercial corridor.

Secondly the applicant has attempted to develop a site plan that is sensitive to the surrounding neighbourhood, is visually appealing, and mitigates the impacts of the proposed drive through. For instance, the applicant will be installing a decorative wooden fence around the perimeter of the site – to define the drive aisle from the sidewalk. This fence, which will be 30” and planted with Virginia Creeper, will help buffer the drive through, screen the parking, and add visual interest to the site from Sadler and upon approach from the north and south along St. Anne’s. The applicant is also installing a large, professionally designed planting bed to anchor the corner of St. Anne’s and Sadler. Additionally, the applicant is adding a second planting bed along the property line adjacent to the front parking stalls. The combination of the landscaping and decorative fencing should create a positive focal point along the St. Anne’s commercial strip.

It should be noted that while foundation landscaping was originally desired, it was determined by a landscape architect in the Planning and Land Use Division that the overhang on the building would shade out the successful growth of any plant material. In that vain, the planting beds and Virginia creeper were deemed to be adequate substitutes.

This establishment is “C1” in character and is surrounded by “C1” uses. Notwithstanding the drive-through use, everything that is proposed at this location can occur within the “C1” District. With that said, in order to preserve existing character and protect against over-intensification of this site in the future, we recommend approving the rezoning to “C2” Commercial but limiting it to the drive-through use only.

RECOMMENDATION:

- I. That The Winnipeg Zoning By-law 6400/94 be amended by rezoning the subject land as shown on Schedule “A”, for file DAZ /04, attached hereto and dated, 2004, to a “C2” Commercial District, subject to the following:
 - A. That the applicant enter into a zoning agreement with the City of Winnipeg pursuant to Subsection 240(1) of The City of Winnipeg Charter, to provide for the following:
 1. This rezoning shall include all uses within the “C1” Commercial District and shall include only the following use within the “C2” Commercial District
 - a. Drive through
 2. That the development be constructed and located in accordance with the plans submitted attached hereto and identified as Sheet Nos. 1,2,3 and 4, Exhibit 1 for File No. DAZ 253/2004 dated October 18, 2004; and maintained thereafter to the satisfaction of the Director of Planning, Property and Development.
- II. That a ten (10) per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.
- III. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.
- IV. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

- V. That the rezoning by-law shall come into effect when the Zoning Agreement has been registered by caveat as a first charge against the subject land at the Winnipeg Land Titles Office, provided that the said effective date occurs within twenty-four (24) months from the date that the said rezoning by-law is adopted by Council.
- VI. That the Proper Officers of the City are hereby authorized to execute said Zoning Agreement.
- VII. That the City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.
