

**THE CITY OF WINNIPEG**

**BY-LAW NO. 36/2013**

**A By-law of The City of Winnipeg to  
amend Winnipeg Zoning By-law No.  
200/2006 with respect to digital signs  
and billboards.**

**THE CITY OF WINNIPEG**, in Council assembled, enacts as follows:

1 *The Winnipeg Zoning By-law No. 200/2006 is amended*

*(1) in section 48:*

*(a) by adding the following definitions after the definition “bed and breakfast”:*

**“billboard, digital moving copy”** means a sign or billboard with copy displayed utilizing electronic screens, televisions, computer video monitors, liquid crystal displays, light emitting diode displays, or any other electronic technology where the sign copy displays moving images, and which directs attention to a business, commodity, service, thing, message, or entertainment conducted, sold, or offered elsewhere than upon the same zoning lot on which that sign is located.

**“billboard, digital static copy”** means a sign or billboard capable of changing the message or copy on the sign electronically, where all the sign copy is fixed for a set period of time, and which directs attention to a business, commodity, service, thing, message, or entertainment conducted, sold, or offered elsewhere than upon the same zoning lot on which that sign is located.

**“billboard, poster”** means a sign or billboard that does not utilize digital message technology, and that directs attention to a business, commodity, service, thing, message, or entertainment conducted, sold, or offered elsewhere than upon the same zoning lot on which that sign is located.

*(b) by adding the following definition after the definition “animated sign”:*

**“automatic dimming”** means technology that continually adjusts the brightness of a sign in relation to ambient light levels.

*(c) by adding the following definitions after the definition “copy area”:*

**“digital moving copy”** means a sign with copy displayed utilizing electronic screens, televisions, computer video monitors, liquid crystal displays, light emitting diode displays, or any other electronic technology where the sign copy is not fixed for a set period of time.

**“digital reader board”** means a changeable copy sign that uses light emitting diodes. Messages are composed of an ordered sequence of alphanumeric characters on a black or dark background.

**“digital static copy”** means a sign with copy displayed utilizing electronic screens, televisions, computer video monitors, liquid crystal displays, light emitting diode displays, or any other electronic technology where all the sign copy is fixed for a set period of time.

**“digital static copy, 24-hour hold”** means a sign with copy displayed utilizing electronic screens, televisions, computer video monitors, liquid crystal displays, light emitting diode displays, or any other electronic technology where the sign copy is fixed for 24 hours through the use of a factory preset that is not adjustable to the user and cannot be altered without the assistance of the manufacturer.

- (d) *by adding the following definition after the definition “free-standing sign”:*

**“hold time”** means the length of time a sign message is fixed in place before changing to a different sign message.

- (e) *by adding the following definition after the definition “sign surface area”:*

**“transition time”** means the length of time it takes to change from one sign message to another.

- (f) *by adding the following definition after the definition “towing and storage facility”:*

**“traffic decision location”** means an area adjacent to one of the following:

- (i) an intersection with traffic signals;
- (ii) a pedestrian corridor; or
